

CONSULEGIS European Regional Meeting in Brussels/Belgium

Dear CONSULEGIS friends,

VDE-Legal is pleased and honored to host the **CONSULEGIS European Regional Meeting 2017**. We therefore kindly ask you to save the date of **February 09-11, 2017** and to join us in the capital of Belgium and of the European Union.

The first day will be dedicated to the European Union with, between other activities, a visit of the European Parliament. During the second day we will focus on Brussels as international business center and center of international arbitration closed by a panel debate with representatives of the jurisdictions of CONSULEGIS.

More information will be send to you during the next months.

We are very excited to host this conference. It will, without any doubt, strengthen our relationships and provide us with good conditions for building business among member firms.

We will set up this conference with your input to make sure that you discover Brussels in the best way.

Maybe some of you have visited Brussels before. If so, then you know there is much more than beer and chocolates. During your stay you will get inspired and fall in love with this beautiful city and Belgium.

We look forward to host you during those days.

If you have suggestions or questions don't hesitate to contact us

Johan Vanden Eynde & all the team of VDE LEGAL
